Disney's HIGH SCHOOL MUSICAL JR.

Theatre production for grades 7-12

Morning session

Disney Channel's smash hit movie musical comes to life on our stage! *Disney's High School Musical Jr.* is a story about two high school juniors from rival cliques. When the captain of the basketball team and a shy transfer student

both try out for lead parts in their high school musical the school becomes divided. This modern adaptation of *Romeo & Juliet* is sure to inspire all along the way to resist peer pressure and rivalry when, in the end, the whole school comes together as a winner. Get ready to tap your toes and sing along with this popular Disney original!

Afternoon session

Put a smile on everyone's face with *The Wizard of Oz*! Come join Dorothy, the Scarecrow, the Tinman, the Cowardly Lion and Toto as they travel the universe of

Dorothy's imagination. This technically complex version based on the motion picture is an adaption for live stage performance and strives to look and sound just like the famous film in telling the story that we are all so familiar with.
